**Verified Personal Handcrafts** - Fiesta Del Sol attempts to upgrade the quality and uniqueness of the arts and handcraft merchants each year. We understand the difficulty of selling a handcrafted item over an imported manufactured product. However, the product must be personally handcrafted by your booth merchant, who must be in your booth space from 9am to 6pm both days of the event. The decision to allow the discount will be subjectively made by SBCOC. You must provide photo of booth merchant making merchandise with your application. If booth merchant artist is not present during festival hours, you will automatically be charged the difference between a handcrafted booth and a regular booth space.

**Quality of Products** - SBCOC reserves the right to reject any merchant application which does not meet the quality or design that the Fiesta Del Sol is attempting to portray.
